

## Program Ideas from Massachusetts

### Kid's Equipment Day

Each year in celebration of National Public Works week, the Town of Shrewsbury holds an open house at the Municipal Garage. The event is sponsored by the Parks & Recreation Department, Highway Department, and Water & Sewer Dept. All the town trucks, mowers, tractors, etc are on display for the kids to climb on and take pictures in. The town gives away plastic hard hats to the children and sells t-shirts with trucks on them.

It's a great family event and children of all ages enjoy the day.

For more information Contact: Angela Snell 508-841-8503.
